## Uppercase and Lowercase Letters

### A. Uppercase Letters

We see uppercase letters everyday! We see them at the beginning of our names, the names of places, states, months, and days of the week. We also see uppercase letters used when the alphabet is written out.

**Student Goals:**

- ✓ I will be able to identify and write my letters in upper and lower case.

**Example:** A, B, C, D, E, F...etc.

**Example:** What letter comes after the letter J?

Go through the alphabet until you get to the letter J. The letter that comes after the letter J will be your answer.

**Answer:** K

**Example:** Trace over the letter and practice writing it 2 times.

Follow the shape of the uppercase letter, making sure that the letter is written in the lines and looks as close as possible to the example letter given.

### B. Lowercase Letters

Lowercase letters are the smaller version of uppercase letters. They will almost always be written after an uppercase letter and are used to write and form words in sentences, phrases, and poems.

**Example:** a, b, c, d, e, f...etc.

**Example:** Trace over the letter and practice writing it 2 times.

Follow the shape of the lowercase letter, making sure that the letter is written in the lines and looks as close as possible to the example letter given.

**Note:** When writing the letters, pay close attention to letters that need tails and letters that need to be dotted.

**Example:** Circle the correct uppercase letter.

s	Y	T	S	Z	B
---	---	---	---	---	---

The lowercase letter is given to you. You have to look at the uppercase letters and choose the one that matches with the lowercase letter.

**Answer: S**

**Example:** Circle the correct lowercase letter.

K	h	u	n	k	v
---	---	---	---	---	---

The uppercase letter is given to you. You now have to look at the other lowercase letters and choose the one that matches with the uppercase letter.

**Answer: k**

**Teaching Tip:** Play this game with the students if there is spare time left after the instructions and day 1.

Open a book, point to a letter and have your student(s) tell you what letter it is. Then have the student(s) tell you if it's an uppercase or lowercase letter. Chicka Chicka Boom Boom is a helpful book that we recommend to use when your student(s) are learning the letters of the alphabet.
